

Sketch your area below and bring into our helpful sales staff.

Please draw your room onto the below remembering to include any door checks, alcoves or cupboards that also require carpet or vinyl. Once you have done this, please bring it to one of our sales staff who will be only too happy to help with selecting something suitable for you, and provide you with an estimate.

A large grid for sketching a room. The grid is 12 units wide and 8 units high. The horizontal axis is labeled with numbers 1 through 12, and the vertical axis is labeled with numbers 1 through 8. Below the grid, a double-headed arrow spans the width and is labeled "metres". To the right of the grid, a double-headed arrow spans the height and is labeled "metres".
